Elation Passport

What is Elation Passport?

Elation Passport is a secure online portal to communicate with our office. You can send messages, text, and have video visits via the smartphone app or web browser.

Why use Elation Passport?

To communicate easily with your doctor during and after office hours.
To share key clinical information, like lab reports, directly from your chart.
To get visit summaries automatically after each visit, allowing you to reference instructions anytime.
To give you quick access to your health information (including allergies, problems, history, medications, & immunizations).

How to sign up for Elation:

Medications & Refills

How do I get a medication refill?

Contact our office for medication refills.

Office: (314) 798-7422

Elation Passport Message Categories 3 - "Prescriptions & Refills"

Email: info@linkprimarycare.com

Please allow 2 business days for medication refills.

What information do I need for medication refills?

Please include:

Name of prescription, dose, and quantity.

Pharmacy name, phone number, and address where it is to be refilled.

What pharmacy can I use for medications?

You are welcome to use our in-office wholesale pharmacy.

It is more convenient and less expensive than retail pharmacies.

We offer home delivery for your prescriptions as well.

If you prefer to use a different pharmacy, please provide the name, phone number, and address for your prescriptions.

Billing and Prior Authorizations

Billing

Membership is available on a monthly or annual basis. Failure to pay membership fees will result in discharge from our practice. If you would like to end your membership, please contact our office.

If you need to change your payment method, you can contact our office or update your payment information directly through the Hint portal.

Insurance Prior Authorizations:

If you are using insurance for an outside test (MRI, CT, sleep study, etc.) or a referral to a specialist, we will help you with the prior authorization process.

Prior authorizations are slow and time-consuming, but we will communicate with you during the process.

Labs

What labs are drawn with my annual physical?

The following labs are drawn at your annual physical:

Complete Blood Count

Comprehensive Metabolic Panel

Thyroid Stimulating Hormone / T4 Hormone

Hemoglobin A1C

Vitamin D Level

Lipid Panel

PSA (if applicable)

Rapid in-office tests: Urinalysis, Strep, COVID, Influenza

Where are labs drawn and when do I pay for lab tests?

Labs are typically collected at our office during your appointment. You can schedule a separate appointment specifically for lab testing. If you prefer, you can have labs drawn at an outside lab testing facility.

You will be billed for labs at the time of the draw.

Lab invoices may be added to your account when we receive a final bill.
